An Invitation to a Character-Building Circle

Where selfish hearts learn to love like Christ.

Hosted by Ludo Reuben Prikler & Wendy Larson · Revival Seminars · Bisbee, Arizona

Dear friend,

We are starting a small weekly circle to walk together through Revival Seminars' **Character-Building Coaching** — 40 Bible-based lessons in two parts: first, what God has done for us; then, what He wants to do through us. These lessons have changed our own lives, and we don't believe they were ever meant to be studied alone. So we are inviting a few people to journey through them with us — one lesson a week, with honest sharing and encouragement along the way.

How it works

- **At home during the week:** watch the week's video lesson (about one hour) on our course page and take notes. Then, in your own words: answer the lesson's quiz questions, write a short personal outline, jot down three very short stories from your own life where the lesson's principle showed up, and share one insight with somebody during the week.
- **Together online (about one hour):** we open with prayer, draw out the heart of the lesson, discuss the questions and outlines, and share the week's stories, struggles, and victories. We close with prayer and the next lesson.
- **The group stays small** — at most 10 students — so that everyone is truly known. Your **first meeting is free**: come, taste it, and then decide about the road ahead.
- **Our simple agreements:** what is shared in the circle stays in the circle; we listen to each other with kindness — testimonies and questions, not fixing or preaching; and if you miss a week, we will send you the private link to the

meeting recording (our meetings are recorded — always with everyone's knowledge and agreement), so you can catch up and join the next meeting.

Your lessons live on our course page

All 40 lessons — the weekly videos and quizzes for your assignments — are on our course site: **https://revivalseminars.org/courses/**. When you join the circle, we will send you a personal coupon that opens the full course for you **free** — you will not pay the course price; the coupon is simply your key to the lessons.

Choose the meeting time — your vote counts

We are deciding between two weekly times. Please reply and tell us which one fits your life — **we will go with the majority**:

- **Sundays at 4:00 PM** Arizona time — starting **Sunday, November 22, 2026**
- **Tuesdays at 7:00 PM** Arizona time — starting **Tuesday, November 24, 2026**

(Arizona does not change its clocks, so Arizona time stays the same all year.) We will confirm the chosen day and send you the meeting link before the first meeting — joining is simple, and you need no account.

The cost — kept low on purpose

Your first meeting is free — come and taste it. After that, circle members pay **$5 per meeting**, billed simply as $20 a month. The full training is worth far more — the complete 40-lesson program is $499, and Lesson 1 is free for everyone — but we have set the circle's price low so that money is not the reason anyone hesitates. And if money is truly a burden, please tell us privately: we gladly give a free coupon, no questions asked. **Nobody is turned away for money.**

In time, students who complete the program may even be invited to lead circles of their own — this is how the blessing multiplies.

Your reply

Just answer this message (or call us) with two things: **which time you prefer — Sunday 4 PM or Tuesday 7 PM** — and any question on your heart. And if you would like to sign up, please let us know: you can pay by **Zelle, check, or credit card**, and we will send you the information for that. We would be glad to walk these lessons with you.

With love and hope, **Ludo Reuben Prikler & Wendy Larson**
